

Prompt Techniques Assessment Submission

Topic: Basics of Prompt Engineering – Lesson 2: Spot the Gaps

Exercise 1: Identify the Prompt Technique

Prompt: "Summarize the following paragraph in one sentence."

Answer:

Technique: Zero-Shot Prompting

Reason: The AI is asked to perform a task without any examples.

Exercise 2: Prompt Recognition

Answer:

Technique: One-Shot Prompting

Reason: One example is provided before asking the new question.

Exercise 3: Choose the Correct Technique

Answer:

Technique: Few-Shot Prompting

Reason: Multiple examples help the AI learn and consistently follow the same writing style.

Exercise 4: One-Shot Prompt Creation

Example:

Customer: My order arrived late.

Response:

Thank you for reaching out. We apologize for the delay and appreciate your patience. Our team is looking into the issue and will update you shortly.

New Customer Complaint:

The product I received is damaged.

Write a polite response.

Exercise 5: Rewrite Using Correct Technique

Original Prompt:

Make this sound professional: "Send this now."

Improved Prompt (One-Shot):

Example:

Original: Can you send this?

Professional: Could you please send this at your earliest convenience?

Now rewrite professionally:

"Send this now."

Technique Used: One-Shot Prompting

Exercise 6: True or False

Statement:

"Few-shot prompting is used when the task is very simple and well-known."

Answer:

False

Explanation:

Few-shot prompting is typically used when consistency, style, or complex patterns are important and examples are needed.

Exercise 7: Prompt Comparison

Prompt A:

Write a product description.

Prompt B:

Write a 3-sentence product description for a budgeting app targeting young professionals.

Answer:

Prompt B

Reason:

It includes audience, context, length, and task requirements, making the output more specific and useful.

Exercise 8: Technique Selection

Scenario:

You want AI to consistently follow the same writing style across multiple outputs.

Answer:

Technique: Few-Shot Prompting

Reason:

Multiple examples help establish and maintain a consistent writing pattern.

Exercise 9: Bonus Challenge

Simple task, no examples → Zero-Shot Prompting

One example to guide style → One-Shot Prompting

Multiple examples to train pattern → Few-Shot Prompting
